I was waiting for the Lord He was kind and heard my cry He drew me up from the mud Gave my feet a place to dry

He has made my steps secure He has given me new ground I find my soul welling up As to sing him a new song

D C G

Oh, the joys of those who trust in the Lord Oh, the joys of those who trust in the Lord

I will shout out to the world Come and see what he has done There is none that can compare He will never be outdone

Oh, the joys of those who trust in the Lord Oh, the joys of those who trust in the Lord

There's a word you set in me And this word says of me Yeah, There's a word you set in me That I delight, I delight, in the Lord

I will praise him all my days
I am here as one in need
To all those who seek his face
Know the Lord takes thought for me
